Everybody wants my love
Nobody can get enough
When I wear some fuck me pumps
Look at me I'm all grown up

Everybody turns their head
When I wear my lips all red
If you ever break my heart
Daddy said he'd break your neck

Cause girls like us don't come around everyday
Girls like us don't come around everyday

Baby why'd you take so long
Turn your little flashlight on

Baby tell me where you've been
Daddy says you can't come in
