Can you feel it
Uuuuuh... uuuuh ooh

I wanna walk outside with my face to the rising sun
(Rising sun)
Close my eyes, I feel a vision has begun (Has begun)
As I raise my arms to the sky I really don't know why
(Don't know why)
But somehow, somewhere I can fly

Can you feel it
The circles of life
Can you feel it
The magic has arised
Can you feel it
Essential inspiration I can fly

Duh duh duh duh duh duh oh oh
Duh duh duh duh duh duh oh oh
Duh duh duh duh duh duh oh oh
Duh duh duh duh duh duh oh oh
Duh duh duh duh duh duh oh oh

As a mystical energy flows to my enchanted feeling
(Feeling)
My third eye opened, there's a new world I'm seeing
(I'm seeing)
Fantasmal forces guide me to living walls of mind and
souls
But when are they.... no one knows

Can you feel it

Can you feel it
The circles of life
Can you feel it
Oh oh (Oh oh)
Can you feel it
The magic has arised
Can you feel it
Oh oh (Oh oh)

Story creates third dimensions with crystal wings
(Crystal wings)
I feel the mind transformation and the joy that it brings
(That it brings)
There is no end to my destiny (Destiny)
Because I know now I am free

Can you feel it
The circles of life
Can you feel it
Oh oh (Oh oh)
Can you feel it
The magic has arised
Can you feel it
Oh oh (Oh oh)
