My soul is flowing into my body
And I feel the kindness of love
I can feel the clouds around me
Precious colours impress my soul
Light is all around me
A sense called peace
It fills me with satisfaction
Life is a miracle

Ooh
Give me back my life
Ooooh yeah

It's just a miracle, it's just a miracle
It's just a miracle please sent me back to life
Sent me back to life, it's a miracle
Give me back my life, it's a miracle

Coming out of the darkness
I fly like an angel above
Flying through the... of life
I feel the kindness of love
I'm watching all around me
I see the clouds falling by
Precious colours impress me
My soul is flying high

Life is a miracle

I feel the angel singing
A song of holy peace
It fills me with satisfaction
I feel like I cannot leave
Going back to my body
You send me back to life
I see more hope for the future
If we... way to survive

Ooh
Give me back my life
Ooooh yeah

Life is a miracle
