Uuuh... Take me away

Higher
Is where I wanna be
Higher
Where my Baby care of me
Higher
If you are... to entice
Higher
Show you the way to paradise

Take me away
To paradise
Take me away
To a higher ground
Take me away
To paradise
Take me away
To a higher ground
Take me away

To the montain top
Is where I wanna go
To the highest top
Is where I wanna be
To the montain top
Is where I wanna go
To the highest top
Is where I wanna be

Yeah ah, I wanna show you paradise
Yeah ah
Higher, higher, higher, higher

Uuuuh... yeah yeah yeah yeah
Higher, higher, higher, higher

Take me awaaaay... uuuuh yeah
