Hey Chico  
Can you feel it  
Ah yeah ah ah oh  
Hey Chico  
Ooooh  
Aah na na na

The rhythm makes you wanna dance  
Wanna dance, wanna dance  
The rhythm makes you wanna dance  
Wanna dance, wanna dance

Can you feel the rhythm  
Can feel the rhythm

There is no fancy house of music  
You can't escape you have to move  
We don't stand still we just imagine  
This mystic house this perfect groove  
Turn around (Turn around)  
Feel the music's beat  
Turn around (Turn around)  
Feel the magic hymn  
Take my hand (Take my hand)  
Just come with me  
Take my hand (Take my hand)  
Where the rhythm will be

Ooooh  
Aaah na na na  
I feel music

Let's come together to the place  
Where house is jammin' please come here  
The ... rhythm burning with your body  
I love this music you will see  
Look around (Look around)  
You may lose control  
Look around (Look around)  
There in your soul  
Come with me (Come with me)  
Get into the move

Come with me (Come with me)  
And you'll feel free

Ooooh  
Aaah na na na  
Ah yeah ah ah oh  
Aaah na na na  
I feel music

Can you feel the rhythm  
Can you feel the rhythm

Dance !

I'm in the music, I'm in the song  
Let the rhythm move you all night long  
I'm in the music, I'm in the song  
Let the rhythm move you all night long
