Ted Mills:

Trouble sleeping...
Background: Trouble
Dreaming of you
Trouble speaking...
Background: Trouble
Thinking of you

Something strange has happened,
I just can't get myself...
Background: Together
No kind of way
For you....

Background: Must have put a spell on my mind
Ted: You must have put a spell on my mind,
and turned me around

Trouble seeing...
Background: Trouble
Visions of you
Trouble thinking...
Background: Trouble
Control my will to

Take a bow if you want to,
I still can't get myself...
Background: Together
No kind of way
For you...

Background: Must have put a spell on my mind
Ted: Ohhhh, spell
Background: Must have put a spell on my mind
You made a new man of me
Now I feel heavenly
For you...

Background: Must have a put a spell on my mind
Must have put a spell on my mind
Ted: I'm under your power baby

Ohhhh, spell

Background: Must have put a spell on my mind

Ted: I'm under your power baby

Ohhhh, spell

Background: Must have put a spell on my mind

Rap:

You see, I gave you everything I had,

But you just pushed me away,

I tried so hard to break loose,

But you gained control everyday

Background: Spell on my mind...

I watched you take my whole world from me,

and there was nothing I could do...

A secret word, a hidden touch

And I belonged to you...

Spell

Ted: Must have put a spell on my mind

I'm under your power baby

Background: Must have put a spell on my mind

Ted: Ohhhh, spell

Background: Must have put a spell on my mind

Ted: I'm under your power baby

Ohhhhhhhh, spell

Background: Must have put a spell on my mind

Ted: I'm under your power baby
