Any breath I take I think of all  
Those things you did  
Today was strange enough  
Any time I close my eyes I see  
The lovely smile  
Shinin' like a star

(Bridge)

Now I realise what I've handled  
What I lost too  
In callin' the pain  
Now I realise what is changin'  
What is missin'  
I realise only now

(CHORUS)

For your love I will do anythin', do anythin', do anythin'  
ooo  
For your love I will do anythin', do anythin', do anythin'  
ooo

Now it's time to wake to find  
Someone who could  
Try to take your place  
As I look in for your sensor eyes  
In someone else  
Try to underdere

(Bridge)

Now I realise what I've handled  
What I lost too  
In callin' the pain  
Now I realise what is changin'  
What is missin'  
I realise only now

(CHORUS)

For your love I will do anythin', do anythin' do anythin'  
ooo  
For your love I will do anythin', do anythin' do anythin'  
ooo (x2)
