Ah-aaaah.  
Ah-aaaah, tonight.  
I need your sunshine, tonight

If you don't know.  
Want you for me.  
Don't leave me lone tonight.  
If you don't go.  
I let you see.  
What there is in my heart?

If you say "no"  
I'll feel alone,  
I need your sunshine, tonight.  
If you stay on,  
I'll give my all,  
I'll be your star.

If you love me, if you love me now,  
I'll be your star  
If you love me, if you love me now,  
I'll be your star  
If you love me, if you love me now,  
I'll be your star  
If you love me, if you love me now,  
I'll be your star

Ah-aaaah,  
Ah-aaaah, tonight.  
I need your sunshine, tonight.

If you want love,  
Then come with me  
Stay by my side tonight  
If you want love,  
I'll make you rise,  
Like the moon in the night  
If you say "no"  
I'll feel alone,  
I need your sunshine, tonight.  
If you stay on,  
I'll give my all,

I'll be your star.

If you love me,if you love me now,  
I'll be your star  
If you love me,if you love me now,  
I'll be your star  
If you love me,if you love me now,  
I'll be your star  
If you love me,if you love me now,  
I'll be your star.

Ah-aaaah.  
Ah-aaaah,tonight.  
I need your sunshine,tonight
