### "Sorry Marin"

Here I am,  
I know it's late...  
It's crazy....  
....maybe not....  
I'm sorry marin...

Marin, I hope you can hear what I'm saying  
Marin, 'cause I always needed to tell it  
Marin, I'm not here to ask you to love me  
Marin, at least tell me that you forgive me.

Chorus:

Marin, I want you to know that I'm sorry  
Marin, I really cannot keep on worrying  
Marin, I'm feeling that we could be happy  
Marin, in time, what happened to feelings?  
Marin, without you a really went crazy  
Marin, so long, and why are you still waiting?

Marin, I hope you can hear what I'm saying  
Marin, 'cause I always needed to tell it  
Marin, I'm not here to ask you to long me  
Marin, at least tell me that you forgive me.

Chorus:

Marin, I want you to know that I'm sorry  
Marin, I really cannot keep on worrying  
Marin, I'm feeling that we could be happy  
Marin, in time, what happened to feelings?  
Marin, without you a really went crazy  
Marin, so long, and why are you still waiting?
