When I dream that I'm retarded
Head to head extreme aggression
I can't get you to take any notice
Gotta stop wanting all your attention
All your attention (x 3)

When my heart decides to stop
I'll take you in and see the cops yeah
Carcass flames are everywhere
I gotta stop wanting all your attention
All your attention (x 3)

Starting from my liver to my brain
Things will never be the same again
I can't get out of my hospital bed
I gotta stop wanting all your attention
All your attention (x 3)

(Repeat first verse)
