She's only unusual  
Come around to her side of the fence  
She wanna gonna give ya a tanline today  
Do you think you've got enough protection on  
Oh no it's unusual  
I can't find my miracle  
Oh no it's the usual  
Why'd you go and fuck your miracle?  
She's only unusable  
Come around to her side of the fence  
She gotta she wanna give ya a tanline today  
You wanna gonna sunna your money  
Oh no it's unusual  
I can't find my miracle  
Oh no it's the usual  
Why'd you go and fuck your miracle?  
Oh no I'll keep you beautiful  
Why don't you go and get your miracle  
Oh no I'll keep you beautiful  
Why don't you go and get your miracle  
Come and get your miracle  
Come and get your miracle  
Come and get your miracle  
Come and get your miracle  
Oh no it's unusual  
I can't find my miracle  
Oh no it's the usual  
Why'd you go and fuck your miracle?
