Look at that man
He's the crusher
Look at that man
Using a little red blusher
Look at that man
Looking at duckie at the bus stop
Look at that man
Thinking flat dick need it
well

Duckies first cigarette (4x)

Stop petting me like I'm a stray
Who said I looked your way?

Teeth tingle
Backside raw
Teeth tingle
Backside raw
Crusher says "I just wanna be around you"
These damn darts are all he's seen
There's something very bad here
Little kid's just a bundle of cub fur
Let me go, let me go
Didn't know, didn't know
Let me go

Duckie's first cigarette (4X)

Duckie
I told ya
Save it

No cop shops stop the pain
The pain, the pain
So Duckie bought another pack of 12s
A friend came and took him on a wave out to sea
Crusher still a blister in a violent box
Yeah

Duckie's first body snatcher

Duckie's body snatched away
Body snatched away
Duckie's first body snatcher
What he wants
Body snatched away
Body snatched away

Duckie
Save it
What I told ya
Duckie, I told you save it
Duckie, I told you save it
Why don't ya save it
Duckie save it
I told you to save it

Duckie I've been waiting for so long
Duckie I know I'm doing so wrong
Duckie I have some thing that I want you to know
Duckie now I've got you I'm not letting go
Duckie I'm so sorry for what I've done
Duckie I couldn't ever let you run
Duckie you're so sweet and so young
Duckie I'm so sorry you had to be the one

Duckie
Duckie no more
Duckie
Duckie no more
Duckie
Duckie no more
Duckie
Duckie no more
