See it bright in your face
I can see you lost the taste
I'm so sick of talking about it
Always gone for just one minute
Only to find you're on my side
Only to find you're on my side
Your love over
Don't talk to me
Forget about it for
Just-Just-Just one minute
Out of my hole I ran to you
Only to find that I'm alone again
No, you can't fight it
D-D-D-Despite it
Out of my hole I ran to you
Only to find
You're on my side
Your love over
Don't talk to me
Out of my hole I ran to you
Only to find that I'm alone
Again
