Not like a lover  
Look at me twice  
You're back in my dreams again and every white is  
turning red  
It's not unlike the movies where I can miss you babe  
And how we talked  
And how we lied

Cos it tastes like love  
But it feels like a demon  
And you know I'm cold to touch  
But I say it like I mean it  
Oh look what you've done to me  
I will be seventy  
Before I know how you feel  
Cos it tastes like love  
But it feels like a demon

We're doomed just to look and we're never to touch  
Is this all there cos even this is too much and I miss you  
babe

Cos it tastes like love
