"Grab Your Hair"

It's getting to the stage
It's getting to the floor
I can't think anymore
I just wanna grab his hair

Uh-oh you make me make me want
You make me make me want
And I'm high as a butterfly
And I'm soft on your causes

It's getting to the stage
It's getting to the floor
I can't think anymore
I just wanna grab his hair

And I love you and the way you shine your legs
They point in my direction
Like a sun above the bed
It's getting to the stage
It's getting to the floor
I can't think anymore
I just wanna grab his hair
