I have quit you by mistake  
I have nothing more to make, to make  
Clear to you, that I could be so cruel  
Never have I seen  
Never have I been  
Never have I seen  
Never have I been myself so much  
Just so that you could touch  
What you say is true  
What you say is true  
What you say is true  
What you say is true  
What you say is true, here we go  
I'm sorry I was cruel  
I forgot to kiss you  
Forgot to put my shell on  
Put my head back in  
Put my head back in yeah  
Why do you have to be so dynamic  
Why do you have to be so dynamic yeah....  
What you say is true  
What you say is true  
What you say is true  
What you say is true  
What you say is true, here we go  
When you cleanse I defend  
When you stick the knife in  
When you stick the knife in  
When ya, when ya, when ya stick the knife in yeah  
Stick the knife in yeah  
Stick the knife  
Stick the knife  
Stick the knife  
Stick the knife  
Stick it in  
Stick it in  
Stick it in  
Stick it in  
Jumping in my own heart  
Tearing everthing apart  
Jumping in my own heart  
Tearing everthing apart

I was cruel  
I was cruel  
I was cruel  
I was cruel  
I was cruel yeah  
I was cruel  
I was cruel  
I was so cruel  
I was so cruel  
I was so cruel  
I was so cruel  
I was so cruel  
I stick it in  
Stick it in  
Stick the knife  
I was so cruel  
So cruel  
So cruel  
I was so cruel (7X)  
I was so cruel  
I forgot to kiss you  
I was so cruel
