Out of the darkness, out of the secret depths
Where Creatures of the beast are hiding silently
I had a vision, I saw the prophecies
They will be rising to conquer the world
Destroying without mercy the kingdom of Atlantis
Leviathan's fury, we have to fight and protect our
kingdom from the invaders of the sea

Unholy abyss of the forgotten sea
Unholy den where evil reigns
Unholy abyss of the forgotten sea
Unholy realm where all demons hide in the sea

Emerged from chaos, Dagon survived the flood
He will return to earth to initiate mankind
Conspiracy, revolution of a million damned souls
Gods of the underworld, clash of the monsters war
We are armed and ready, demonic lords must die
Our legend will forever live, we have to fight and
protect our people from the invaders of the sea

Unholy abyss of the forgotten sea
Unholy den where evil reigns
Unholy abyss of the forgotten sea
Unholy realm where all demons hide in the sea

Morituri te salutant, fidei defensor
Si vis pace para bellum
Morituri te salutant, fidei defensor
Si vis pace para bellum, bellum
Veritas domini, veritas domini,
Dominus illuminatio mea

Unholy abyss of the forgotten sea
Unholy den where the evil reigns
Unholy abyss of the forgotten sea
Unholy realm where all demons hide in the sea

Unholy abyss of the forgotten sea
Unholy den where the evil reigns
Unholy abyss of the forgotten sea
Unholy realm where all demons hide in the sea
