Baby please, baby please, come back to me  
Baby please, baby please, come back to me  
'Cause you know I'm your prisoner  
I need your love to set me free

I woke up early one mornin'  
Before the night was gone  
I looked in the bed next to me and guess what?  
I was all alone, cryin'

Baby please, baby please, come back to me  
Come back to me  
'Cause you know I'm your prisoner  
And I, I need your love to set me free

Well, I don't see well and I'm absent minded  
I hardly sleep at all  
This woman has put me on a habit  
Of nicotine and alcohol

Baby please, baby please, come back to me  
'Cause you know I'm your prisoner  
And I need your love to set me free
