I live all my days the way I want  
Don't try to fight me  
Don't try to taste all my ways  
You cannot  
And don't try to find me  
Don't bother

Oh, we're coming!  
Oh...

We're like the whirlwind  
Like volcanoes we all rise  
We are power, we are courage  
We are wise  
Like an avalanche  
Like wildfire we all soar  
We are power, we are courage  
We're more than meets the eye  
We are Horde

Behind my back your eyes still curse  
Yet you won't face me  
You don't dare to confront a different mind  
You won't embrace me  
But wait 'cause...

Oh, we're coming!

Oh...

We're like the whirlwind  
Like volcanoes we all rise  
We are power, we are courage  
We are wise  
Like an avalanche  
Like wildfire we all soar  
We are power, we are courage  
We're more than meets the eye  
We are Horde

We're like the whirlwind  
Like volcanoes we all rise

We are power, we are courage  
We are wise  
Like an avalanche  
Like wildfire we all soar  
We are power, we are courage  
We're more than meets the eye  
We are Horde

We are power, we are courage  
We're more than meets the eye  
We are Horde
