I've got a secret I can't tell
Guess I better cast my spell
Don't you worry, just you wait
Everything's gonna be great
Just like magic!
Watch and see!
Magical DoReMi!
Like magic!
1 2 3!
Just like magic!
That's me!
(Bababa Ba Ba Ba Baaa Ba Ba)
This ol' witch, she's mad and green
Meanest witch you've ever seen
You've got a broom and I've got a wand
We've got friendship we've got a bond
Like magic!
Watch and see!
Magical DoReMi!
Like magic! 1 2 3!
Just like magic!
You and me!
Like magic!
Watch and see!
Magical DoReMi!
Like magic!
1 2 3!
Just like magic!
