All Hail Shadow!  
Heroes rise again!  
Obliterating everything that's not your friend!  
Nothing can stop you now,  
No ghost can bring you down!  
When there's nothing left to lose,  
You win!

(All Hail Shadow  
All Hail Shadow)

Suffer long and it will set you free!  
Only through trial do we find the strength we need  
It's never over, just another day  
Of hope and tragedies, and everything that comes our  
way

Determination of the strong,  
Found the meaning that you've searched for so long!

All Hail Shadow!  
Heroes rise again!  
Obliterating everything that's not your friend!  
Nothing can stop you now,  
No ghost can bring you down!  
When there's nothing left to lose,  
You win!

(All Hail Shadow  
All Hail Shadow)

Somewhere in chaos we all find ourselves  
This destruction is the only tale we tell  
White is black and black is white,  
Right is wrong and wrong is right!

Nothing ever fills this hole inside your heart

Determination of the strong,  
Found the meaning that you've searched for so long

All Hail Shadow!

Heroes rise again!  
Obliterating everything that's not your friend!  
Nothing can stop you now,  
No ghost can bring you down!  
When there's nothing left to lose,  
You win!

(All Hail Shadow  
All Hail Shadow)

(Instrumental)

All Hail Shadow!  
Heroes rise again!  
Obliterating everything that's not your friend!  
Nothing can stop you now,  
No ghost can bring you down!  
When there's nothing left to lose,  
You win!
