woke up this morning in the canyon
face down with a pocket full of nails
the bridges i built and burned behind me
and time just slippin' through my hand
some old man said get your shit together
dont through your life away over a dream
cuz ive seen them come and go
and its a long and lonely road
the dead ends somewhere you dont want to be

BUT I CANT!!! destroy the things that i believe
AND I WONT!!! even if this world keeps telling me
HAVE I LOST!!! this war against the unseen
me the enemy
me the enemy

he said boy youve got to find the answers
dont make the same mistakes as me
watching everything you've done
will come around and come undone
believe me son that aint no way to be

BUT I CANT!!! destroy the things that i believe
AND I WONT!!! even if this world keeps telling me
HAVE I LOST!!! this war against the unseen
me the enemy
me the enemy

BUT I CANT!!!
AND I WONT!!!

BUT I CANT!!! destroy the things that i believe
AND I WONT!!! even if this world keeps telling me
HAVE I LOST!!! this war against the world
THE WORLD!!!

BUT I CANT!!!
AND I WONT!!!
HAVE I LOST!!! this war against the unseen
me the enemy
me the enemy

ME THE ENEMY
ME...
THE ENEMY
