????

Planet slips

And turns away there

For the last time

It seems that way

Say it

For the last time

It turns away there

Turn away yeah

For the last time

It seems that way

Say it

For the last time

Precious

Precious

Precious

Precious

????

????

Planet slips

And turns away there

For the last time

It seems that way

Say it

For the last time

Then turns away there

Turn away yeah

For the last time

It seems that way

Say it

For the last time

Precious ...
