Song number one is not a fuck you song
I'll save that point til later on
You ought to know that there's something going on
It's nothing X4
Everybody's talking 'bout their home town scenes yeah
And hurting people's feelings in their magazines and
You ought to know what it all means
It's nothing X4
Fighting for a haircut? Well grow your hair
Crying for the music? I doubt you really care
Looking for the answers? You can find them anywhere
It's nothing X4
It's nothing X4
Life is what you want it to be, yeah
So don't go gettin' hanged up trying to get free
And don't worry 'bout what the other people see
It's nothing X4
