It's coming up again
Explaining myself again
I don't know why
I don't know why
Turning it up again
Churning it up again
I want to go home
Take me home
Seems alright
Seems alright
Seems alright
It's running up again
Waking me up again
You decide
Take your time
Turning it on again
Sucking it up again
Fuck it up
Take your time
Seems alright
Seems alright
Seems alright
Wake me up
Wake me up
Wake me up
Wake me up
Seems alright
Seems alright
Seems alright
