True love
I am true love
I saw you in the back
And you were kissing a boy
Stabbed in the back
And I was really annoyed
Can't look back
I was hooked and deployed
I didn't get mad
I'm ready to go X4
I got my speed on
And I'm ready to go
Head cranked up
And ready to blow
I've got my speed now
And I'm ready to go
Got my speed now
True love
I am true love
I saw you in the back
And you were kissing a guy
So pissed off
And I wanted to die
I didn't get mad
When you were kissing a girl
I didn't get mad
When you were kissing a girl
I got my speed now
And I'm ready to go
Hand on the knob
And I'm ready to blow
Driving real fast
With nowhere to go
Screaming real loud
To the radio
I saw you in the back
And you were wearing a dress
Standing in the dress
And you were really a mess
I didn't get mad
You were wearing a dress

I didn't get mad
