Where did the chinaman go?
Where did the chinaman go?
Bowled out of favor when the paceman move in
As pitches got faster with no turn or spin
"Bowl faster, bowl at him, bowl bodyline
If we can't get him out, we'll make him retire!"
Where did the chinaman go?
Where did the chinaman go?
Where did the googly go?
Where did the googly go?
Who still bowls a googly in this day and age?
When bouncers and beamers are all the rage
Forced to take guard with helmet and visor
Awaiting the arrival of Slazenger armor
Where did the googly go?
Where did the googly go?
Bring back the chinaman
Bring back the googly
And long live Dicky Bird
