With spades and hoes and plows stand up now, stand  
up now  
With spades and hoes and plows, stand up now  
Your freedom to uphold sin (?) cavaliers are bold  
To kill you if they could and rights from you to hold  
Stand up now diggers all  
The gentry are all round stand up now, stand up now  
The gentry are all round stand up now  
The gentry are all round on each side the are found  
Their wisdom so profound to cheat us of our ground  
Stand up now stand up now  
The lawyers they conjoin stand up now stand up now  
The lawyers they conjoin stand up now  
To rescue they advise, such fury they devise, the devil  
in them lies

And hath blinded both their eyes  
Stand up now, stand up now  
The clergy they come in stand up now, stand up now  
The clergy they come in stand up now  
The clergy they come in and say it is a sin  
That we should now begin our freedom for to win  
Stand up now diggers all  
'gainst lawyers and 'gainst priests stand up now stand  
up now  
'gainst lawyers and 'gainst priests stand up now  
For tyrants they are both, even flat against their oath  
To grant us they are loathe free meat and drink and  
cloth  
Stand up now diggers all  
The club is all their law, stand up now stand up now  
The club is all their law, stand up now  
The club is all their law, to keep all men in awe  
That they no vision saw to maintain such a law  
Stand up now diggers all
