### "Eddie The Eagle"

Step by step  
Climbing to the top  
Eddie the Eagle  
The epitome of sport  
Not for the winning  
Or the advertising deals  
Not for the money or glory  
Just for taking part  
It's like when I was at school  
And we got beat 10-1  
My dad would always say  
"At least you tried, son"

And now there's a hero for those  
Who thought sport was never fun  
Eddie, the loser,  
Who finally won  
Eddie, the loser,  
Who finally won  
Eddie, the loser,  
Who finally won
