Good evening, topping nightcast  
A possible link between murder and music

Hey, hey, we're the Junkies  
Hey, hey, we're the Junkies

Sticky pages in Hello, with Hopper as Nero on Rome  
See the social big guns going bang, bang, bang

Hey, hey, we're the Junkies  
Hey, hey, we're the Junkies  
Hey, hey, we're the Junkies  
No X-Mas for Junkies

Who put the 'U'?  
Who put the 'U'?  
Who put the 'U' in the Wamba?

So fashionably blue  
Crime never pays, heroes are handsome  
So fashionably blue  
Pretty children are popular, ugly children cynical

So fashionably blue  
Mothers never work, single women always do  
So fashionably blue  
Politics doesn't exist, automobiles screech when they  
come to a stop

So fashionably blue  
All problems are solved in slightly less than half an  
hour
