Love me, love me, love me, love me
I have climbed the highest mountains
I have run through the fields
Only to be with you, only to be with you
I have run, I have crawled,
I have scaled these city walls, these city walls,
Only to be with you
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
I have kissed holy lips
Felt the healing fingertips
They burned like fire, this burning desire
I have spoke the tongues of angels
I have held the hand of the devil
It was warm in the night, I was cold as a stone
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
Love me, love me, love me, love me
I believe in kingdom come
And all the colors will bleed into one, will bleed into one
And yes I'm still running
You broke the bonds, you loosed the chains
You carried the cross of my shame, for my shame
You know I believe it
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
'Somewhere over the rain -hic-'
