Ahh, let's kiss and make up
Ahh, let's dig the grave up
Ahh, let's have a shake up
Ahh, let's kiss and make up

(I'm coming out)
I had a fling with Doris Day
(I'm coming out)
I almost got her in the family way
(I'm coming out)
I gotta see what the papers say
(I'm coming out)

All dressed up in drag
(All dressed up in drag)
Inside a Gucci body bag
(In a Gucci body bag)

(I'm coming out)
Ahh, let's kiss and make up
(I'm coming out)
Ahh, let's dig the grave up
(I'm coming out)
Ahh, let's have a shake up
(I'm coming out)
Ahh, let's kiss and make up

(I'm coming out)
My self denial couldn't get any worse
(I'm coming out)
First confession second verse
(I'm coming out)
I forget myself but I remember the words

All dressed up in drag
(All dressed up in drag)
Inside a Gucci body bag
(In a Gucci body bag)

(I'm coming out)
Ahh, let's kiss and make up
(I'm coming out)

Ahh, let's dig the grave up
(I'm coming out)
Ahh, let's have a shake up
(I'm coming out)
Ahh, let's kiss and make up

The sniffer dogs are comin'
'Round my house again
The sniffer dogs are comin'
'Round my house again

(I'm coming out)
Ahh, let's kiss and make up
(I'm coming out)
Ahh, let's dig the grave up
(I'm coming out)
Ahh, let's have a shake up
(I'm coming out)
Ahh, let's kiss and make up

The sniffer dogs are comin'
'Round my house again

Johnny, Johnny
