C'mon

Norman Rockwell come on in
Hang your dirty coat on the door
Don't you worry 'bout the cops downstairs
They're just diggin' up the cellar floor

I'm in trouble again
I'm in trouble again
I'm in trouble again

Tried to be so squeaky clean
But I'm in trouble again, oh yeah
(I'm in trouble again)
People say I'm nasty mean
But I'm in trouble again, oh yeah
(I'm in trouble again)

I'm the girl from stars in their eyes
But I walked into a life of crime
Now I turn water into corporate pop
And Danbert is a friend of mine

I'm in trouble again
I'm in trouble again
I'm in trouble again

Tried to be so squeaky clean
But I'm in trouble again, oh yeah
(I'm in trouble again)
People say I'm nasty mean
But I'm in trouble again, oh yeah
(I'm in trouble again)

I got a plastic toy with my happy meal
I got a plastic toy with my happy meal
I got a plastic toy with my happy meal
I feel sick, c'mon

Tried to be so squeaky clean
But I'm in trouble again, oh yeah
(I'm in trouble again)

People say I'm nasty mean
But I'm in trouble again, oh yeah
(I'm in trouble again)

Tried to be so squeaky clean
But I'm in trouble again, oh yeah
(I'm in trouble again)
People say I'm nasty mean
But I'm in trouble again, oh yeah
(I'm in trouble again)

Harry, tomorrow we sit together
And discuss the timing
