Sometimes when I'm feeling lonely  
I just want some arms around me  
It doesn't matter how he walks  
It doesn't matter how he talks  
It doesn't matter if he's pretty  
It doesn't matter if he's ugly  
I just want to feel those arms around me and kiss  
'Cause what's a kiss? A kiss is sweet  
'Cause what's a kiss? A kiss is a kiss  
Last night I went out and met you  
I put my arms around you  
You said it was 'inevitable'  
I said, 'whatever'  
We kissed and hugged forever  
Until the night grew old  
And when you went away you gave me a kiss  
'Cause what's a kiss? A kiss is sweet  
'Cause what's a kiss? A kiss is a kiss
