Just when you figured it out someone lets you down  
Who'll make all the wrong decisions when the judge is  
up for trial?  
No-one has the cure for all our daily hurts  
Least of all this rock and roll  
And I never-ever said what you said I said  
What price poverty sheik?  
What price scissors and stone?  
All queueing up for the knacker's yard  
Crack you face, laugh out loud  
For a few brief words and a few short lines I was taken  
to the coliseum, fed to the lions. And lions aren't the  
type you can really love enough, but you can turn 'em  
into rugs! Ow mate, can you spare some change? Too  
much. Are you down on your fashion, or down on your  
luck? Sometimes questions never get dropped. Oi Mick,  
are you dancing? I never stopped!  
L A U G H I N G laughing...  
(Repeat)
