"Lester Piggot, Cell Block No. 9"

Visit "[Lester Piggot, Cell Block No. 9](#)" on MotoLyrics.com

The millionaires are closing ranks
Tax-dodging in the race to the bank
Listen for the slamming of the stable doors
After the horse has bolted
Trapped fingers, and someone's to blame
The Jockey Club is tightening the reins
All the wealth and power
Owned by a handful of people
With YTS workers
In the star-studded stables
I have no sympathy for the Inland Revenue
But Lester Piggot, I'm glad they caught you
