

## **Chumbawamba "Memories of Shilts"**

Visit "[Memories of Shilts](#)" on MotoLyrics.com

England's goalkeeper since Gordon Banks  
Consistent, reliable, a safe pair of hands  
But despite all his saves and all his acrobatics  
I can't help recalling something more dramatic  
Of an incident in the back of a car  
When Shilts was caught with his bottom bare  
And the image of him and his apparent agility  
Will stay with me longer than his goalkeeping ability  
Bare! caught with his bottom bare!  
Bare! caught with his bottom bare!  
With his bottom bare, he was caught with his bottom  
bare!  
With his bottom bare, he was caught with his bottom  
bare!  
With his bottom bare
