She thinks she missed the train to mars, she's out back
counting stars
She's not at work, she's not at school
She's not in bed, i think i finally broke her
I bring her home everything i want, nothing that she
needs
I thought she'd be there holding daisies, she always
waits for me
She thinks she missed the train to mars, she's out back
counting stars
I found her out back sitting naked looking up and
looking dead
a crumpled yellow piece of paper, seven nines and
tens
I thought she'd be there holding daisies, she always
waits for me
She thinks she missed the train to mars, she's out back
counting stars
I thought you'd be there holding daisy, you always wait
for me
She thinks she missed the train to mars, she's out back
counting stars
