Laugh out loud and curse this ground
Make this world turn upside down
Star and sky will bleed us dry
You've got all the friends that money can buy
Play this song, everybody sing along
One half done, the best is yet to come
Sometime soon, picking up the tune
It's not how loud you sing, it's what you sing
Last comes first, chorus into verse
Stolen purse, a bubble bursts
Play this song, everybody sing along
One half done, the best is yet to come
The best is yet to come
The best is yet to come
