Laugh out loud
Laugh out loud
And curse this ground
And curse this ground
Make this world
Make this world
Turn upside down
Turn upside down
Star and sky
Star and sky
Will bleed us dry
Will bleed us dry
You've got all the friends
You've got all the friends
That money can buy
That money can buy
Play this song
Play this song
Everybody sing along
Everybody sing along
One half done
One half done
The best is yet to come
(Repeat)
Sometime soon
Sometime soon
Picking up the tune
Picking up the tune
It's not how loud you sing
It's not how loud you sing
It's what you sing
It's what you sing
Last comes first
Last comes first
Chorus into verse
Chorus into verse
This stolen purse
This stolen purse
The bubble bursts
The bubble bursts
Play this song
Play this song

Everybody sing along
Everybody sing along
One half done
One half done
The best is yet to come
(Repeat)
