Just take a ticket
It takes you nowhere
They saw us coming
It's them and us here
Just keep your voice down
And light another
I am a patient girl
I wait, I wait, I wait
It's not your money
Don't call me stupid
Not big, not clever
Mean can mean awkward
It's Wigan Pier here
I'm not for jumping
See candid camera
Sees next to nothing
(Chorus)
You keep me waiting
I keep on shouting
You keep me waiting
I keep on shouting
You keep me waiting
I keep on shouting
You keep me waiting
My letterbox knows
Bangers and bad news
Good morning campers
Sees queues and queues and queues
They spell my name wrong
It's not for art's sake
And every truth told
Black mark on black mark
You love to chew on
This bread and butter
You crunch your numbers
And push your papers
Pile-up on pile-up
Malicious bad turns
I'll light another
Slow fuses, slow burn
(Repeat chorus)
