"They try in vain our minds to chain"(Repeats)

I'm up in the stars
I'm looking down at the gutter
When I'm good, I'm very good
But when I'm bad, I'm better

(Chorus)
Oh barman fill this glass again
And keep on pouring 'til Death says 'when'
Oh barman, fill it to the top
And we'll be drinking 'til the singing has to stop

And keep on pouring 'til Death says 'when'
Oh barman fill it to the top
And we'll be drinking 'til the singing has to stop
