"Whilst Stocks Last"

It's the old stock car thing
Crash! smash! crash! ring!
Round the track and round again
Crash! smash! crash! ring!
Revving, coughing, stutt-stutt-stuttering
Tongue-in-cheek scrap motor racing
Crash! smash! crash! ring!
Crash! smash! crash! ring!
Revving, coughing, stutt-stutt-stuttering
Tongue-in-cheek scrap motor racing
Crash! smash! crash! ring!
Crash! smash! crash! ring!
Write-offs end, stock cars begin
Crash! smash! crash! ring!
It's the old stock car thing
Crash! smash! crash! ring!
