Carry me  
Bury me  
Put it in or take away  
To rest your head upon a place where  
Nothing else has ever been  
Peace of mind keep it in  
I am so tired  
Please it should be  
Me instead of  
These emergencies  
Emergency  
Marry me  
Catatonic restful state  
Your peaceful mate  
Your lovely place to  
Take it away (away)  
Peace of mind keep it in

I am so thankful  
For the sonic  
Breeze into the trees  
Emergency  
Carry me  
Bury me  
Put it in or take away  
To rest your head upon a place where  
Nothing else has ever been  
Peace of mind keep it in  
I am so tired  
Please it should be  
Me instead of  
These emergencies
