I'm so wasted  
There's nothing here that isn't mine  
We're coming over sooner  
Trying not to ruin her  
Stay until the moon is done  
And here it comes  
Here it comes  
I can't make it  
There's nothing here that doesn't rhyme  
We're coming over sooner  
Trying not to ruin her  
Stay until the moon is done  
And here it comes  
Here it comes  
Never touch you (don't you run?)  
With sick fingers (don't you run?)  
Never touch you (don't you run?)  
With sick fingers  
I'm so wasted  
There's nothing here that isn't mine  
We're coming over sooner  
Trying not to ruin her

Stay until the moon is done  
And here it comes  
Here it comes  
Never touch you (don't you run?)  
With sick fingers (don't you run?)  
Never touch you (don't you run?)  
With sick fingers  
Here comes April  
Here comes April  
Here comes April  
Here comes April  
Here comes April (here it comes)  
Here comes April (here it comes)  
Here comes April (here it comes)  
Here comes April (here it comes)  
Here it comes  
Here it comes  
Here it comes
