I feel coarse and strain  
Interrupt my mind again  
I am being clear  
I am sad to say, I'm living here

I do it all the time  
I do it all the time

It tries to interrupt me  
Interrupt my mind  
In a quiet room, you wait  
In another room, they fight

They do it all the time  
They do it all the time  
They do it all the time  
They do it all the time

Single fear  
Clearly defined, I'm wasting time again  
Slowly coarse and strain go  
Counting fear again, no

Staring eye to eye  
Then slowly me again  
In another room they sit  
Listening to other lies

And do it all the time  
And do it all the time  
And do it all the time

Single fear  
Clearly defined, I'm wasting time again  
Slowly coarse and strain go  
Counting fear again, no

Staring eye to eye  
Then slowly me again  
Slowly, slowly

Slowly me again

Slowly me again  
Slowly me again  
Slowly me again

Slowly me again  
Slowly me again  
Slowly me again  
Slowly me again
