(Magnate)

What you and I have
Has me all confused
It's like that someone who reads
A meaningless sentence
You don't know when it ends
If at the end there's no final stop.
Love which is not stopped
By neither comma nor prefix.
Y no se si pusiste punto final
a lo que juntos tratamos de formar
o una coma para tiempo tener
si eres capaz en ese hombre creer

(Valentino)

And I could tell it by your look
You were the friend
Who in the good and in the bad times
By my side you were,
without realizing that you were falling in love
de este hombre que te contaba
desde amorios hasta malas andadas
al que tu le confezabas
como en la cama era que tu te entregabas.

(Valentino)

And fate betrayed me
And I understood
How much in love I was with you
But there was a lot to lose in the middle
I was hers and you were still his.
pero una noche embriagados sin pensar
tu te entregaste y de mi te dejaste amar
al otro dia te marchaste sin hablar
solo dejaste una nota sin firmar

Decia:

(Valentino)

"Thanks (comma) for what has happened (three dots)
And at the bottom of the paper a goodbye
I don't know if it was something new that it had just began
or simply that everything ended here!"

Chorus (x4)

Escobar...

Mario, esto si que es letra

Esto si que es un tema...

Nosotros solos, Rompiendo los Esquemas...

Esto es su Limite...

Ale..Escobar!!....
