Here I am, I've come calling on you again
I'm not here for the love of God
No, I'm here for yours tonight

I'll do all that I can though I'm not much of a man
I've had my fingers burnt, I've got scars I've earned
And lessons learnt from love

And I'm still going strong at going wrong
Don't matter if you leave or if you stay
I'm gonna love you either way

Let's get this straight, I've got more time to wait
Yeah, I know you strayed when you could have stayed
In your own bed instead

Well, it just doesn't seem right dragging old ghosts
into the light
I didn't come for the love of God
No, I came for yours tonight

And I'm still going strong at going wrong
Don't matter if you leave or if you stay
I'm gonna love you either way

I'm not here for the love of God
No, I'm here for yours tonight
