Lay lady lay, lay across my big brass bed.
Lay lady lay, lay across my big brass bed.

Whatever colors you have in your mind.
I'll show them to you and you'll see them shine.

Lay lady lay, lay across my big brass bed.
Stay lady stay, stay with your man awhile.
Until the break of day, let me see you make 'em smile.

[Gemma]:
Your clothes are dirty but your hands are clean.
And I'm the best thing that you've ever seen.
(Stay lady stay, stay with your man awhile.)
Why wait any longer for the world to begin?
You can have your cake and eat it too.
(Why wait any longer for the one you love?
I am standin' in front of you.)

Lay lady lay, lay across my big brass bed.
Stay lady stay, stay with your man awhile.

[Gemma]:
You long to see me in the morning light.
You long to reach for me in the night.
(Stay lady stay, stay while the night is still ahead.)
So maybe I'll stay, stay while the night is still ahead.
(Stay lady stay, stay while the night is still ahead.)
So maybe I'll stay,
[Both]: stay while the night is still ahead.
