So tell me sister is it our aim to make a clean break  
And just a whisper will see us remain as we are and as  
we were?

And if that big black moon comes  
And leaves us crestfallen  
We can rely on the joy in staying so [unverified]

So tell me sister are we to resist all the pressures of  
day  
That make a wish for a chance to exist as we are and  
as we were?

And if that big black moon climbs  
And leaves us crestfallen  
We can rely on the joy of staying so [unverified]

If that big black moon climbs  
And leaves us crestfallen  
We can rely on the joy of staying so [unverified]
